

United Way of  
Taylor County

# Annual Report

## Empowering Communities Through Generosity

### Giving Back

Every donation to United Way is a step toward building stronger, more resilient communities. This year, your generosity fueled programs that provided essential resources, support, and hope to those who needed it most.

United Way assists in the Meals in a Backpack campaign to provide food to students and families experiencing hardship.

### Day of Caring

Over 48 volunteers engaged in community service throughout October, focusing on local library cleanup, painting Taylor County Commission on Aging, supporting Operation Horses Heal, and executing six additional community- focused initiatives.

Care packages for Taylor County Commission on Aging created by local Medford High School Students.

*Giving back is an investment in your community. To learn how you can make a difference, visit [www.uwtaylor.org](http://www.uwtaylor.org) or contact us at 715-748-3000*

# Supporting Local

**\$83,000**  
in grants to local  
non-profit organizations

**Marathon Cheese Corporation supports United Way through raffles, employee meetings, and the creation of a cookbook donating all funds.**
