

October 2025

Dear Friends of the United Way of Taylor County (UWTC),

On February 14, 2026, the United Way of Taylor County is again hosting our much-loved Dueling Pianos event at the Stetsonville Centennial Community Center. Attendees will enjoy a semi-formal night of entertainment, music, and laughter, all for the benefit of the community. Please see sponsorship opportunities on the following page.

Each year the event gathers individuals to increase awareness of UWTC and the local organizations we support, helping us reach our fundraising goals. Your tax-deductible donations provide the building blocks for a strong community and are an investment in our future.

About United Way of Taylor County

UWTC is a local, volunteer-driven organization whose mission is to unite people and resources to build a stronger, healthier community. UWTC raises much-needed dollars for charitable organizations in our community that focus on improving life for people in three areas: (1) financial stability, (2) education, and (3) health. Donations to UWTC help support area programs that provide:

- Food, shelter, and utilities to those in need
- Transportation, training, and meaningful work for individuals with disabilities
- Support for victims of domestic violence
- Healthy meals to seniors' homes
- End-of-life care to those with a terminal illness
- Resources for reducing drug and alcohol abuse

The UWTC board is committed to ensuring donated funds fill the most significant needs in our community. During the grant process, our board members diligently review every application, interview program directors, and closely examine the charity's financial statements before committing any funds. This ensures the integrity of each grant awarded, and action/accountability from each agency supported. We expect positive change in the lives of the people in the community as a direct result of UWTC's community investment.

Community Fundraising Goal

The needs from our Taylor County community continue to grow. In order to meet these needs our fundraising goal is \$120,000. This allows us to help support the mission and vision of many charitable organizations in Taylor County with those funds. We are looking to you to help us meet these growing needs within our community.

Event Sponsorship Opportunities

Enclosed you'll find event sponsorship opportunities that help support our community. We thank you for your time and consideration.

With sincere appreciation,
Monica Spinler
United Way of Taylor Executive Director
