Thank you Letter to Employees

Ask your CEO or company leadership to send a personalized thank you note to your employee donors/volunteers after the campaign is complete.

Dear Valued Employee,

Thank you for making a gift (or volunteering or participating in X) during our recent United Way campaign. It will take all of us, working together, to create a community in which all members are financially stable and thriving. Your gift to United Way will provide quality childcare, safe housing, adequate food, mental health services, and so much more for our friends and neighbors. Thank you for your kindness and support for our local community!

Sincerely, Your Local Leader
